Key Issues

Medicaid Fraud Control Unit

Effective July 1, 2011, the Georgia Medicaid Fraud Unit has been consolidated under the Georgia Department of Law pursuant to an Executive Order by the Governor. Previously, the unit was composed of a three agency task force that included the Georgia Department of Law, the Georgia Bureau of Investigation and the Georgia Department of Audits.

- What is the Mission of the Georgia Medicaid Fraud Control Unit?**

1. What is the difference between Medicaid and Medicare?
 2. What is Medicaid Fraud?
 3. Who works for the Georgia MFCU?
 4. How much money has the Georgia MFCU recovered?
 5. How do I report a complaint?
 6. Where can I find more information about Medicaid Fraud?
- What is the Mission of the Georgia Medicaid Fraud Control Unit?**

The mission of the Georgia Medicaid Fraud Control Unit (MFCU) is to serve the public, to protect and enforce the law, to investigate and prosecute fraud and abuse in order to protect the Georgia Medicaid program and the most vulnerable patients from abuse.

The unit will continue to work to ensure through the demonstrated and accepted pursuit of the following goals:

 - To protect, preserve and enhance the public health, safety, and welfare of Georgia's Medicaid beneficiaries, and to ensure the integrity of the Medicaid program by providing for the protection of Medicaid resources and health care services funded through state and federal programs.
 - To respond to abuse in Medicaid, where any abuse results in a significant financial loss to the state or to the Medicaid program, and to ensure the integrity of the Medicaid program.
 - To respond to abuse in Medicaid, where any abuse results in a significant financial loss to the state or to the Medicaid program, and to ensure the integrity of the Medicaid program.
 - To respond to abuse in Medicaid, where any abuse results in a significant financial loss to the state or to the Medicaid program, and to ensure the integrity of the Medicaid program.
 - To respond to abuse in Medicaid, where any abuse results in a significant financial loss to the state or to the Medicaid program, and to ensure the integrity of the Medicaid program.
 - To respond to abuse in Medicaid, where any abuse results in a significant financial loss to the state or to the Medicaid program, and to ensure the integrity of the Medicaid program.
- What is the difference between Medicaid and Medicare?**

Medicare is a healthcare program available to those who cannot afford Medicaid. Medicare is a federal program available to those who cannot afford Medicaid. Medicare is a federal program available to those who cannot afford Medicaid. Medicare is a federal program available to those who cannot afford Medicaid.
- Who works for the Georgia MFCU?**

The Georgia MFCU is made up of three state agencies: Audits, Crime, Investigation, and Intelligence and Analytics. These employees work to recover millions of dollars in taxpayer dollars for the state each year.
- How much money has the Georgia MFCU recovered?**

Since 2011, the Georgia MFCU has recovered over \$100 million in taxpayer dollars, including both state and federal funds. In fiscal year 2013 alone, the office recovered \$28.8 million.
- How do I report a complaint?**

If you suspect that Medicaid Fraud may be occurring, call the Georgia MFCU at 404-656-3400. The office is open Monday through Friday from 9:00 AM to 5:00 PM. You can also report fraud to report_medicaid_fraud@doj.ga.gov.
- Where can I find more information about Medicaid Fraud?**

For more information on Medicaid Fraud and to learn about other state MFCUs, visit the National Association of Medicaid Fraud Unit website: www.namfcu.org
